PROFILE

Dears,

I am an ambitious man who loves his job and life. I have been travelling by myself for work around Europe and the rest of the world. As my enclosed resume indicates, my stuff experiences revolve around events sector as multi-lingual Announcer/Host/MC/LEAD Speaker and Image&Communication Manager. I am self motivated, good TEAM PLAYER, honest and outgoing person, striving for success, willing to work hard in a fast paced environment, contributing to the growth of myself.

As a Professional I use working at the TOP LEVEL in international environments dealing with sport (Olympic/Paralympic games, multiple sports world championships, world cup, international events), business meetings (conventions, showcases, sponsors events, etc..), ceremony (opening/closing events, gran galà, welcome dinner, receptions, awards presentation, etc..) and communication sector.

Daily I keep in touch with important and international companies, organisations and agencies, covering also the role of Image&Communication Manager - Corporate Spokesperson.

In addition, I am EAGER to gain more work experience and feel that I am up to the challenges that the job will entail and I'm ready to move abroad and travel often. My GOALS are: getting better, keeping on working in events, sport and communication industry and developing my career.
